About the DC Design House

The Washington, DC Design House, a 501(c)3 nonprofit entity, began in 2008 as a unique design show house event for the DC Metro area in which top area designers showcased their talents into a "flowing design home" to raise funds for a local charity. What began as a single event goal to raise funds for Children's National Health System has developed into the region's foremost annual residential design attraction and as a leading annual fundraiser event for Children's National Health System. Established by business partners and husband-and-wife founders Skip and Debbie Singleton, Principals of DC Living Real Estate, LLC, in partnership with an all volunteer team of sponsors, organizers, regional media, design industry manufacturers and some of the nation's most awarded and widely recognized designers, the DC Design House has quickly earned a following with more than 80,000 visitors and more than \$1.78 million raised for Children's National Health System over the last nine years. The tradition continues with the 2017 DC Design House. For more information, visit www.dcdesignhouse.com, [Facebook](#) and [Twitter](#).

About Children's National Health System

Children's National Health System, based in Washington, D.C., has been serving the nation's children since 1870. A Magnet® designated and Leapfrog Group Top Hospital, Children's National was named to the prestigious Honor Roll as one of the top 10 pediatric hospitals in the country in *U.S. News & World Report* 2017-18 Best Children's Hospitals survey. U.S. News also ranked the neonatology program at Children's National number one—the best among more than 1,500 neonatal intensive care units (NICUs) across the country—and four other Children's National services in the Top 10: Cancer (#7), Neurology and Neurosurgery (#9), Orthopedics (#9), and Nephrology (#10). With a community-based pediatric network, seven regional outpatient centers, an ambulatory surgery center, two emergency rooms, an acute care hospital, and collaborations throughout the region, Children's National is recognized for its expertise and innovation in pediatric care and as an advocate for all children. For more information, visit childrensnational.org.
